

C. Lamar Meek Memorial Scholarship

Guidelines for Applicants:

The Louisiana Mosquito Control Association (LMCA) will award a scholarship (\$1,500) to one undergraduate or graduate student each year to promote and encourage academic pursuits relating to medical and veterinary entomology. The name of the scholarship recipient will be announced each year during the annual meeting of the LMCA.

The applicant must:

- Be enrolled in an accredited college or university in the state of Arkansas, Louisiana, Mississippi, Oklahoma or Texas for the duration of the Scholarship.
- Undertake an investigation/research/outreach project in the area of medical and veterinary entomology.
- Submit an application for the scholarship on the form below, to include a one-page academic development plan (e.g., courses planned, skill set(s) attained/pursued in applicant's education, career goals, etc.).
- Have two (2) letters of recommendation sent to the Chair, LMCA Scholarship Committee. One of these letters must be from the student's major advisor outlining how the funds will be used.
- Present a report of academic scholarship (i.e. report on work accomplished - investigation/research/outreach project) at a LMCA Annual Meeting within two (2) years of receiving the scholarship. The annual meeting registration will be waived. In addition to the scholarship amount, the recipient will be reimbursed for all reasonable travel expenses associated with travel to the LMCA annual meeting when the report is presented. All original travel receipts (airfare, food and lodging, etc.) must be submitted to the Chair of the Scholarship Committee. Reimbursement will be subject to approval by the Chair, Scholarship Committee.

Specific scholarship requirements:

- No part of the award may be used to pay indirect costs to the applicant's university or affiliated organization.
- A student who receives a C. Lamar Meek Memorial Scholarship is ineligible to apply again unless there is a change in his/her level of educational status.
- Part of the award may be used to pay student salary and travel for field work. However, the student salary and travel must be directly related to the scholarship. If supplies and equipment are purchased, they shall become the property of the institution.
- No part of the award may be used for travel to professional meetings.
- Award checks will go to the institution sponsoring the applicant.

Application Due Date: 01 November of each year.

The applicant is required to mail the form below with all relevant materials to:
